Fire Dept. Asks For Your Help

Of all the elemental forces that harass and betray mankind, none surpasses fire in ferocity and downright treachery. It can spring forth in full bloom for no apparent cause. Only rags in a closet or a corner of a garage, a pile of trash in a basement, a garbage burner in the back yard, a pile of leaves untended, all can erupt in flame as if bewitched. It can spread with explosive speed. Due to recent drought conditions everything is tinder dry and can burst into flame easily. The average grass or brush fire the fire department answers cost from \$50 to \$75. For every grass fire three pieces of equipment—two jeeps and a tanker—roll. But the cost of even a grass fire must be counted in more than loss of or damage to shrubs, trees, fields and possibly buildings. It must include the cost of man hours spent in fighting the fire and in cleaning and caring for the equipment.

The Fire Department pledges to the community to exert every effort to protect lives and property in case of fire. But this is not enough! Fires must be prevented not just extinguished! This is your job. Will you help us?

Couple Found Dead In Riverside Home

Mr. and Mrs. Robert W. Hoff, 36 S. Cowley, Riverside, were found dead in their home Monday, apparently the victims of carbon monoxide poisoning.

Mr. Hoff is the father of Mrs. Nancy Rentner. Mrs. Hoff's daughter by a previous marriage, Jane Harris, 15, was found unconscious and is in critical condition.

Mr. Hoff's body was in the car in an attached garage; Mrs. Hoff's body was in the house. The garage doors were of a type that closed automatically. Police theorized that Hoff drove into the garage, the doors closed, and he fell asleep without turning off the car. The car's ignition was on and the gas tank empty.

Funeral services were to be held at 1:30 p.m. today (Thursday) at Abram & Son Funeral Home, Berwyn.

Plant are co-chairmen of the contest.

This is how the tournament will work: couples (which can be a man and woman, two women, or two men) will draw for opponents. The two couples who are to play each other will arrange a time and place for their match. They

Civil Defense Director, 12-Minute Meters, Carts, Among Board Matters

The possibility of 5- or 12-minute parking meters in some spots along Main St., a shopping cart ordinance which contained a provision that could cost a careless housewife a \$500.00 fine (if enforced), the need for a Civil Defense Director, and the possibility of the village's acquiring a railroad steam engine, free, an historic addition to the village park, were matters discussed at Tuesday night's meeting of the village board.

The question of short-time parking meters arose when Ray Toft presented a request that Gene Rockow of Rainbow Cleaners on Main St., be allowed to pay monthly rent on a meter in front of his place for the convenience of customers who wished to drop or pick up cleaning.

The objection was raised by Mayor Cunningham that if one store were allowed to do this, all should be allowed the same privilege. Toft replied that the majority of the stores would not benefit from such a service because customers need more time for shopping.

Toft then suggested spotting 12-minute parking meters in various spots along Main St., possibly four on each side of the street, for the convenience of all customers who need only a few minutes for errands. He suggested that customers of drug stores, cleaners, liquor stores, telephone office, etc., would especially benefit from such meters, and that it would help to solve the double-parking problem.

The matter was tabled until next week, when the board meeting will re-convene. In the meantime, Toft said he would like to hear opinions from Main St. merchants on the suggestion.

A suggested ordinance on shopping carts was read by the village clerk. One section contained a provision making it illegal to abandon a shopping cart on village property. Another section provided that the carts must not be removed from the premises of the owners, with fines of not more than \$500 for persons who violated the ordinance.

Ray Toft and David Nissen both objected to the second provision, pointing out that shoppers under this ordinance could not use the carts to carry their groceries to cars parked in the village parking lot, on Broadway, or on Lake St. The ordinance was tabled for further study.

Bids for the purchase or renting of a police squad car were opened. John Teresi Chevrolet Oldsmobile, Inc., submitted bids of \$1,928.27 for a 1964 Chevy Biscayne, minus \$1,000.00 allowance for the 1962 Mercury trade-in; \$1,985.81 for a 1964 Olds F-85, minus trade-in; \$2,228.38 for a '64 Olds Jet Star, minus the same trade-in.

Teresi entered bids of \$69.59, \$72.97 and \$74.85 a month, with a 24-month lease, on the Chevy, Olds F-85 and Olds Jet Star, respectively, for monthly rent.

Earl Stringer Motors, Inc., entered a bid of \$2,697.55 for a 1964 Dodge, with trade-in of \$1,343.52 for the '62 Mercury.

The bids were turned over to the police committee for consideration until the next meeting.

Bids on a new roof on the fire department building were opened. Libertyville Roofing bid \$635.00 with a two-year guarantee; Ace Roofing \$695.00 with a ten year guarantee. Bids were turned over to the committee for consideration.

Mayor Cunningham brought up the matter of the resignation of John Horan as Civil Defense Director. The board has not yet accepted the resignation. The mayor pointed out that a Civil Defense Director is badly needed. Horan's resignation was again tabled, in the hope that someone could be found to replace.

Permission was granted by the board for a Teen-age March Against Leukemia from March 13 to 19 in Antioch and a tag day for the Salvation Army on June 12, with an alternate date of June 19 in case of bad weather.

Plans Motel, Bar & Marina Near Fox River On Route 173

Although several owners of adjacent property were present at a hearing for re-zoning held at the Village Hall in Antioch Tuesday, March 3, no one seemed opposed.

Attorney Earl Wasneski, Waukegan, presented the petition of Nick Gargalla to the Zoning Board of Appeals for re-zoning from Farming to B-2 of a parcel of land, about 12 acres, on Route 173 west of the Fox River. Gargalla said he planned to construct a marina, restaurant, motel, cocktail lounge and bar on the property, with a picnic area at the south end of the property. The picnic area, however, would not be open to the public, he said, but would be reserved for the use of motel users.

The boat launching area, also, he said, would be mainly reserved for the use of boat owners who stored their boats at the marina.

Gargalla said he planned to start construction next December, if he received the zoning change, and the project would probably be completed in about three years.

Gargalla said if he could not get the whole area rezoned to B-2, B-1 would be acceptable for about 7 acres of the property, with B-2 for the remaining five acres.

Roland A. Franzen and Wm. J. Zeigler, owners of property west and south of

Gargalla's, said they had no objection to the re-zoning. Franzen and Zeigler are planning construction a similar nature on their property. Both said appearance of the neighborhood would be improved, as the land is now low and overgrown with weeds.

John Wiecek, owner of John's River Inn, directly across the road from the property under question, also said he had no objections.

Bill Mellon, a representative of the Lake County Health Dept., read a letter from the Health Dept. stating the property was too low for installation of a septic system. He pointed out that some mechanical system would have to be installed if Gargalla proceeded with his plans.

Chairman Genty asked John Wiecek if he could tell the board how much of the property would be under water during a wet season. Under questioning, Wiecek said that in the spring of 1960, when the water rose about six feet, the entire property was under water. In a normal year, he said, a portion of the land would be under water.

The Board stated that they would make a recommendation on the petition at the meeting of the Board of Supervisors on March 9.

Proclaims Girl Scout Week

The Honorable Murrill Cunningham has proclaimed March 8-14 as Girl Scout Week in Antioch, it was announced today at his office on North Avenue.

The proclamation pays tribute to Girl Scouts of the U.S.A. on its 52nd anniversary for continuous service to community and country since the organization's founding on March 12, 1912.

In the proclamation, Mayor Cunningham highlights the theme of Girl Scout Week, "Girl Scouting — A Promise in Action." The Girl Scout promise "To do my duty to God and country, to help other people at all times and to obey the Girl Scout laws," is made by the more than 3½ million girls and adults in Girl Scouting.

Mayor Cunningham calls upon all citizens of Antioch, especially parents, to give to Girl Scouting, now and in the future, "their continued interest, cooperation and support so that increasing numbers of girls may benefit from the splendid program of training in citizenship which the Girl Scout organization offers."

New Champ Sought by Lions Club

Antioch has had a lot of champions, in many fields, official, semi-official, and self-designated. The Lions Club is preparing to crown a new one — or rather, a championship team.

The Bridge Champs of the Antioch area will be determined in an elimination tournament starting March 20 and probably continuing until about the first of May.

The elimination tournament for Bridge fans is the brain child of Dr. James Kopriwa, and he and Homer La-

Lake County, but as part of a systematic, overall drive for safety on the highway, Scheskie pointed out that a drop or rise in accidents for a short period, even a year, was meaningless. Unless a downward trend could be maintained for about five years, he said, there was no real progress.

Scheskie pointed out that the sheriff's office also plans to use an airplane this summer as part of highway law enforcement. He said the high accident rate of recent months was discussed at a meeting Monday night of Sheriff's office personnel with most of the police chiefs in the county. Sheriff Larson pointed out at this meeting that surrounding states are showing an increase in accidents, also, during January and February. Most police personnel, he said, attribute the rise to the comparatively good highways this winter, leading to speeding. It has been proven, Scheskie said, that motorists drive faster in cold weather. One reason may be that, with windows closed, there is less sensation of speed.

The new radar timer-equipped car is expected to be operating on the highways within the next week. The sheriff's office, Scheskie said, hopes to add more of the radar units in the future.

Radar Equipped Car Added to Sheriff's Equipment

Radar has been added to the Sheriff's Office equipment. The new, compact unit will be installed in an unmarked police car, catching speeding motorists unaware.

Sheriff Charles E. Larson believes this new piece of equipment will serve as a deterrent to motorists who disregard the law on the highways. It will not be used as a speed trap, Larson pointed out. However, there will be no way of knowing when you may meet the radar-bearing vehicle on the highway.

The new equipment is known as the Radar Timer. It is a low powered transmitter and receiver. There is no known commercial gadget, Sheriff Larson said, which can be used to detect and warn the speeding motorist of the presence of the radar equipment.

Captain Harold Scheskie of the Sheriff's office said that the instrument is accurate to within one mile per hour in clocking cars at speeds up to 100 miles an hour. "No one," Scheskie said, "beats radar evidence in court."

Sheriff Larson, Scheskie said, had been planning for about 8 months to get this equipment. The purchase was recently approved by the Board of Supervisors. Purchase of the unit was not the result of a drive because of the recent rise of accidents in

Help For School Boards

Voters of Gavin School District approved an increase in the educational tax last Saturday by a comfortable margin of 364 to 274. The increase raised the educational tax rate to \$1.16 per \$100 of assessed valuation.

Compare the other schools in the area, this is a high tax rate. Yet several other school districts have turned down referendums which would have established a much lower tax rate than the one approved by Gavin District voters. Why?

Secretary of the Board of Education Simple Scott believes the favorable vote was the result of the work of the Illinois School Consulting Service. Members of the service helped to form a Citizens Advisory Committee and to answer questions of residents as to the proposed increase. Once the advisory committee was convinced of the need for more money for the school, the members worked to spread information about the referendum among voters of the district.

Members of Boards of Education are often frustrated and baffled by their inability to arouse interest of the voters of the district in needs of schools. Perhaps more schools would benefit from the use of professional advice when they find themselves confronted by a wall of voter indifference.

Your Governor Reports by OTTO KERNER

The Illinois Board of Economic Development has launched a two-year study of the state's potential for economic growth, a study which will help chart the course of our state in future years.

The study will assess the physical, economic and human resources of our state, as well as its needs, so that state government can more effectively program its services to the people.

All of the 102 counties and 1,200 towns and municipalities in Illinois will be included. The study was made possible by a \$642,000 federal grant, which the state is matching in the form of services by existing employees who are already engaged in the field of planning.

The survey will provide the first objective analysis in history of the health and prospective health of the Illinois economy. It will also give us a scientific basis for coordinating the state's water resources.

Once we acquire basic economic information, for instance, we will be better able to anticipate population changes, since population grows and declines primarily in response to opportunities

for making a living. When we discover where people are going, we will know where we should locate our schools, hospitals, recreational areas and other facilities that will be needed to serve our growing population.

The diversified nature of the Illinois economy makes it extremely difficult to forecast changes without the comprehensive information that this study will provide.

Our diversity is an asset because downward trends in one industry are often balanced by upward trends in another, but to make use of this flexibility we must be able to keep the economy of the state under close watch so we can adapt economic development policies to such changes when they occur.

We hope to make this two-year study a part of a long-range state development program that will involve planning for the next four to six years. Such planning has become a key function of governmental units from village councils to large federal agencies. We can perform a valuable function by providing the mechanism to coordinate these many plans into one comprehensive approach.

SPEAKING TO YOU

By John Burlend

Director of Social Studies,
Rockford East High School

Nobody hates Luxemburg. It is a pleasant little duchy tucked between France and Germany with a total area a little smaller than Rhode Island. Their army is about the size of the Indianapolis police force. It could not stop the Russians from marching to the channel ports or resist the Chinese in the Formosa Strait. They give nobody aid or advice. Nobody hates them.

By contrast the U. S. has enemies all around the world. In Panama, a half pint nation kicks our shins and screams, "Don't you touch me, you big bully." In Athens a mob of students marches on our embassy shouting anti-American slogans. In Cyprus the newspapers and the government unite in denouncing the U.S. and refuse an American contingent to preserve peace.

Even our long time allies, France and England, act as if we were unwanted relatives. DeGaulle busily pursues his little campaign to undermine the American position in the Far East, in Europe, and in Latin America. England, in the midst of pre-election maneuvering, finds it profitable to pluck a few feathers from the eagle's tail.

To the American, conscious of our generosity since the end of the war, this is base ingratitude, the thrust of Brutus. He wonders if the game is worth the candle, if we shouldn't wash our hands of the whole mess and spend our money in Miami or Las Vegas.

Actually, it isn't surprising at all. We are the leader of the anti-Communist world. We call the play because we pay the bills, and that makes people angry. To the sophisticated European we are the bumptious newcomer who doesn't know how to play the game; to the less civilized, we interfere with their little entertainment.

Take Cyprus as an example. All the Greeks and Turks on that little island want to do is to burn each other's villages and kill everyone in sight. A first class massacre there would set the

stage for a real war between the NATO allies. It would give the Russians a beautiful opening to crack the western alliance. So we try to keep the peace, and the students who are eager to get shot demonstrate against us.

The case of France is something else again. Charles De Gaulle offers a challenge to American leadership within the Western community. Without either the military or the economic strength to carry out his intentions, he dreams of a France restored to the glorious days of Louis XIV or of Napoleon. It is a bitter pill for the U. S. to watch DeGaulle give unintended aid and comfort to the Communists as he pursues the ghost of a new and powerful France restored by dazzling diplomacy.

In Ghana a power mad black dictator has asserted his divinity and intends to rule as a newly created God. He fears an educated America might pull the rug out from under his pretensions.

We alone of the nations of the non-Communist world have the power and the resolution to thwart and repel the Communists. We alone have a global strategy and global commitments. We are the one who must interfere with someone's plan for a massacre, or encourage an anti-Communist government, or give aid to a struggling economy. Almost any action we take is likely to anger one of our friends, and it always embitters our enemies. So we are the target for attack and criticism.

There is a very simple way to end all this: withdraw from our involvement abroad, return to domestic problems and wash our hands of responsibility.

Let DeGaulle take over leadership of the world. Let him stem the Communist drive in Asia, Africa, South America. Let France, who lost Viet Nam and Algeria save the world. Let the U. S. return to isolation or neutralism and become as toothless and harmless as Luxemburg.

Courthouse Notebook

by LOU DURKIN

We've been wondering of late what Gov. Otto Kerner will do as his last official act if State Treasurer William Scott should win the Republican nomination for Governor and then go on to win the election in November.

There is a nagging thought that between the time Scott tenders his resignation as treasurer and takes his oath as Governor the Democratic incumbent will find time to make an appointment to the vacant treasurer's post.

State Sen. Robert Coulson is certainly doing nothing to head the breach between him and his fellow Republican legislators from Lake County, House Majority Leader W. J. Murphy and State Rep. John Conolly.

The Waukegan legislator has repeatedly charged that the House of Representatives played into the hands of the Democrats during the recent special session of the legislature at which provisions were made for the election of State Representatives in the coming election.

According to Sen. Coulson the House bill that stipulated the nomination of no more than 118 candidates from each party will give the Democrats a chance to sweep into office enough candidates to insure Democratic control of the House for 18 years.

Members of the House, who are directly concerned with the outcome of the balloting, maintain that the more candidates there are in the race, the more chance there is that the Democrats can gain overwhelming control.

Rep. Murphy, who has considerably more at stake than the Senator has, maintains that a maximum of 100 candidates from each party will give the GOP the best chance to retain control of the House and at the same time give Lake County a good shot at two additional Republican seats and a second Democratic seat.

Sen. Coulson, who was something less than helpful to the House leadership during the regular session and

the special session, is at least being consistent inasmuch as he certainly isn't helping his compatriots in their bid for re-election at this time.

The basis for the growing animosity could well be the Republican nomination for Governor four years hence.

Rep. Murphy shook up a press conference last week with the revelation that he has eye on the gubernatorial post for 1968 if his political star remains in the ascendancy.

Sen. Coulson, meanwhile, is seeing to it that his name is becoming known in all sections of the state through a syndicated new column and frequent state-wide press releases.

Well, we've always maintained that Lake County should have some candidates at the state level, but we never expected two at the same time.

To the casual observer the "endorsements" of the Grant Township Republican Club last week probably have some importance, but a closer look dims the lustre somewhat.

The term "loaded" is perhaps not wholly charitable, but among those voting in the balloting were several "members" whose only qualification as a Grant Township voter was the payment of dues to the club.

Such loose eligibility rules would suggest to a person of suspicious nature that merit is not the primary consideration in voting endorsements.

Lake County Republicans have apparently found at least one state candidate they can get behind with something akin to unanimity.

That would be Elmer Hoffman, of DuPage County, who is a candidate for Secretary of State and at this point seems to be a shoo-in over his lesser-known opposition.

Elroy Sandquist, personable young candidate for Attorney General, has also developed a strong following in Lake County and appears a good bet in this race, at least in this area.

CHEVELLE! by CHEVROLET—a great highway performer

Chevelle balanced performance is best!

Passing, cornering, threading through traffic, sudden stops—Chevelle excels all around! Chevrolet's new surprise package has what it takes to meet any driving challenge: Six or V8 engines, hefty brakes, Full Coil suspension—and a trim size that makes the most of them!

Chevelle means performance aplenty—standard 120-hp Six or 195-hp V8—and optional at extra cost, a 155-hp Six, a 220-hp V8, a new 327-cu.-in. V8! But Chevelle's performance means more. Chevelle's a foot shorter than the big cars. And the space Chevelle saves in size comes off the ends, not the middle. So it rides like you want a car to ride.

Chevelle lets you choose Powerglide*, 4-speed manual* or 3-speed manual transmission. Knowing how people like the custom touch, we wrote out a long list of extra-cost options. Knowing all this, what's keeping you from a test drive? Certainly not your Chevrolet dealer!

H.S. Board Resumes Recessed Meeting

The Board of Education of the Antioch Community High School Wednesday night resumed the meeting which had been recessed the previous Wednesday because of the death of Sue Cain.

The board voted to go on record as favoring the average bill policy for the Special Education District. The average bill, Mr. A. L. Dittman, superintendent said, would be helpful in preparing budgets and in equalizing expenses from year to year. This is the policy whereby the expenses of all Special Education pupils are combined, and each pupil charged the same amount. In the past, actual cost of each student had been billed to the school district from which the child comes.

The board approved the request of Joseph Rush, director of the Fine Arts Dept., that he be permitted to submit an application to have the Antioch High School Band

play at the Midwest National Band Clinic. This is the National Band Convention, attended by approximately 6,000 band directors from all over the U.S. Five or six bands are selected from the applications submitted to play for the directors, and to be used in demonstrations.

Dennis Sullivan, audio-visual aids co-ordinator, demonstrated the use of an overhead projector to the board. The high school now has three such teaching aids and hopes to add more. The board was reportedly favorably impressed by the demonstration.

The High School has been having a problem with the ventilation system, due to settling of the roof. The louvers which control the ventilation, by opening and closing, had been bound by the settling. A letter from Gilbert Johnson, architect of the 1962 addition, reported that the architect and contractors had partially solved the problem and work would continue until the louvers worked properly.

The board voted to enter into a contract with the Simplex Time Recorder Co. of Chicago to service the electronic clocks and bell system at a cost of \$122.20 a year. The school has about 60 clocks.

The high school board will host the elementary school boards at a dinner meeting in the high school cafeteria on March 11. Robert Jasper, supervisor of assessments, will be the speaker of the evening. A large turnout is expected.

The board reviewed its program for the meeting of the Antioch High School PTA on April 1. Each member of the board will discuss some

phase of the board's work at that meeting.

The board adopted a calendar for the 1964-65 school year. Opening day is scheduled for Sept. 3, closing day for June 8. The first two days will be spent in students picking up schedules, etc.

The board authorized the administration to take bids on a new bus. The new bus will not replace an older one, but will be used to accommodate the larger enrollment. The board expressed their approval of the Student Council activities in relation to the Student Exchange program and their hope that a foreign student would be attending Antioch Community High School next fall.

President Robert Denman appointed Dr. Richard Ripley to be delegate to the meeting of the Lake County School Board Association. Milburn Cain was appointed as alternate.

The board passed a resolution accepting a voter affidavit list rather than a poll book in the coming school board election.

The board gave permission to William Anderson to arrange with the Medinah Temple Shrine group for a program on the athletic field on Saturday, August 22.

will have a week in which to complete this round.

Winners of the first round will play other winners the next week. Losers will play losers for a consolation prize.

Winners of each round will play a match with other winners until all except two teams are eliminated. The match between the remaining two teams will be played in a public place, with spectators invited. Winners of this round will be the champions.

Residents of Antioch, Lake Villa, Salem or Trevor townships are eligible to enter the tournament. Entry fee is \$5.00 per couple.

Entry blanks are available at the Antioch News office or from the chairmen. Names of competing teams will be posted in the Antioch News window.

Entry blanks must be turned in to the Antioch News office or to Homer LaPlant or Dr. James Kopriva by noon on March 16.

The tournament will probably end around the first of May. The winners will be guests of the Lions Club for dinner, when they will be presented with trophies. There will be trophies for first and second place and a plaque to the winner of the consolation round.

New Service At State Bank

State Bank of Antioch announced this week that they have inaugurated a new free "Senior Citizen Checking Account Service" for all persons who are 65 years of age or older.

William Brook, President of State Bank of Antioch, said that "this free service to Senior Citizens was being offered to them as a convenient aid in handling their financial matters."

To qualify for this free checking account service a Senior Citizen need only present proof of his age when making his initial deposit.

Some of the plan's outstanding features were listed as no minimum balance required, unlimited number of checks may be written, and all transactions may be completely handled by mail if so desired.

Mr. Brook stated that this is another step toward the State Bank's goal of attaining the best possible service for all the people of our community.

You wonder how a man ever made the grade, and then you meet his wife, and yet the answer.

"Pick 'em fat, boys," advises Cupid. "It's a lot easier to live with 200 pounds of curves than 100 pounds of nerves."

Legion News

ANTIOCH AMERICAN LEGION AUXILIARY

By Del Jahneke

Antioch American Legion Auxiliary's Legislative chairman, Mrs. Lester Zitkus, wishes to make known to the general public the National American Legion and National American Legion Auxiliary's stand on a "constitutional amendment to permit prayer on a voluntary basis in public schools."

Since the 1962 and 1963 Supreme Court decision prohibiting the recitation of state prayers and Bible reading in public schools, many alarmed members of the House of Representatives introduced Resolutions, proposing Constitutional Amendments designed to permit voluntary prayer and Bible reading in public schools. All such resolutions died in the House Judiciary Committee when the 87th Congress adjourned. Last year, in the first session of the 88th Congress, 131 such resolutions were introduced. All of these and additional resolutions languish in the same House Judiciary Committee, and present indications are that no hearings will be held.

On September 10, 1963, Congressman Frank Becker (N. Y.), introduced the H. J. Res. 693—"Nothing in the Constitution shall be deemed to prohibit the offering, reading from, or listening to, prayers or Biblical Scriptures in any public school or government institution or place, if participation is voluntary. Nothing in the Constitution shall be deemed to prohibit making reference to belief in, reliance upon, or invoking the aid of God or a Supreme Being, in any government, or public document, proceeding, activity, ceremony, school, institution, or place, or upon any coinage, currency, or obligation of the United States."

Because of the House Judiciary Committee's refusal to hold public hearings on

the prayer issue, Congressman Becker initiated a discharge petition which, if successful, would bypass the House Judiciary Committee and bring H. J. Res. 693 to the floor of the House for a vote. This discharge petition is known as "Discharge Petition No. 3, 88th Congress. To be successful, Discharge Petition No. 3 must be signed by 218 of the 435 members of the House of Representatives. As of Feb. 3, 1964, 134 members had signed the petition. 84 more signatures are needed. If successful, the entire prayer issue will be brought before the House.

On December 18, 1963, when the American Legion announced its decision to support Congressman Becker's Discharge Petition No. 3, the following statement was made: "A discharge petition is a seldom used parliamentary procedure but it is authorized in the rules of the House. The American Legion has supported discharge petitions but once or twice in its history, and does so now, only because of the unusual circumstances surrounding the prayer and Bible reading issue, and related possibilities." The National American Legion and Auxiliary, Congressman Becker and other Congressmen and organizations are urging all people who believe in this amendment to write their Congressmen at once, strongly urging them to sign Discharge Petition No. 3. People who believe deeply enough in the necessity of keeping Almighty God in our schools and public life, let your Congressmen know how you feel. Write to your Congressman and urge him to sign Discharge No. 3. It is not necessary to write to your U. S. Senator now; this issue is presently within the United States House of Representatives.

Our area Congressman is: The Honorable U. S. Congressman Robert McClory, House of Representatives, Washington, D. C.

again brought up by Tott. The Lions propose to furnish patrolmen with rolls of pennies and courtesy tickets from the Lions Club. Patrolmen would put a penny in meters showing a violation, and an envelope informing the motorist of the courtesy which has been extended to him, and inviting the motorist to make a donation to the Lions Club, to be used for support of the swimming pool.

If the motorist had not returned within fifteen minutes after the ticket was put on, the patrolman would put on a regular overtime parking ticket.

Attorney Edward Jacobs and Mayor Cunningham objected to the proposal. Jacobs said he doubted the legality of it. The matter was tabled for further consideration.

Fred Handwerker asked for a permit to obtain a cab license. The matter was turned over to the license committee.

The board approved a motion to purchase 985 feet of vitrified tile at \$1.05 a foot to be used for drainage.

The board approved an ordinance stating that the Village Board would meet on the first and third Tuesdays of the month, starting at 8 p.m. The ordinance becomes effective May 1, and will be published in this paper next week.

Permission was granted to the American Legion Post No. 748 to hold a carnival on the west portion of the village parking lot June 30 through July 5.

The board approved a motion to pay O'Brien Co. \$600, and to pay damages to the Antioch-Clinic of \$250, both amounts to be deducted from money due Bolander Co.

A letter from Julius Monge, Route 1, Box 534, Antioch, pointed out to the board that a railroad steam engine could be obtained by the village from the Soo Line railroad at

Set Date For Discussion Of School Addition

Voters of the Emmons School District No. 33 are invited to attend a meeting at the school at 8 p.m. Tuesday, March 10, to discuss the possibility of building an addition on the school.

Members of the school board, the architect, Ralph

Anderson Associates of Barrington, Dr. W. C. Petty, County Superintendent of Schools, and Emmons School principal John Yargas, will be present at the meeting to explain the proposed addition to the voters of the district and to answer questions.

Purpose of the meeting, according to Mr. Yargas, is to determine whether or not to run the referendum. Date for the referendum may be set at Tuesday night's meeting if the meeting results in a decision to go ahead with it.

The board recessed until March 10.

Wed In Candlelight Service

Charlene Sherwood, daughter of Mr. and Mrs. Howard Sherwood, Rt. 5, Box 481, Antioch, became the bride of Robert Meyer, son of Mr. and Mrs. Melvin Meyer, Grand Avenue, Gurnee, in a candlelight service at 7 p.m. on Saturday, February 22.

The Rev. Virgil Smith officiated at the double-ring service in the Lake Villa Methodist Church.

The bride wore a gown of imported Alencon lace over peau de soie, with scoop neckline and a chapel train. The fingertip veil of silk illusion was caught by a crown

of pearls. The bride carried a cascade bouquet of white camellias with stephanotis.

The maid of honor was Judy Sherwood, sister of the bride. Bridesmaids were Gail Mack and Amylee Albert.

The bride's attendants wore floor-length gowns of pale blue chiffon over peau de soie, with matching pill box hats and blusher veils. They carried cascade bouquets of pink camellias and white carnations. The camellias were brought from Florida from the garden of the Charles Hooks of Lynn Haven.

The "Wedding Prayer" was sung by Frank DeYoung. The best man was William Meyer, brother of the groom.

Ushers were Tom Meyer and John Meyer, also brothers of the groom.

The bride is a 1963 graduate of Antioch High School. The groom graduated from Warren High School in 1960. He is employed at Anchor Coupling in Libertyville.

A reception at the Fellowship Hall of the Lake Villa Methodist Community church was followed by a honeymoon trip to Chicago.

The bride and groom were at home at 607 W. Park Ave., Libertyville, after March 1.

Memorial Mass for Lt. A. J. Graham

A Memorial Mass will be said at St. Peter's Catholic Church in Antioch on Wednesday, March 11, for First Lieutenant Anton J. Graham, in memory of his 44th birthday.

Lt. Graham was killed in action in the battle for Brest, France, while leading Co. I, 9th Infantry, 2nd Division.

He was the son of Mr. and Mrs. Richey V. Graham of Park Ave., River Forest, and Channel Lake, and was the grandson of the late Anton J. Cermak, Mayor of Chicago.

ORDER OF RAINBOW FOR GIRLS

Antioch Assembly Order of Rainbow for Girls will meet on Monday, March 9, at 7 p.m. at the Masonic Temple. Susan Bloom, Worthy Advisor, will preside. Juanita Gillum and her mother will be in charge of refreshments.

Randy Gordon's candy project was successfully completed and it was reported that she sold over 720 boxes of candy.

On Saturday, March 7, Mrs. Jim Briski and several of the girls attended Jewell Assembly in Chicago.

Campus News

Kenosha, Wis., Feb. 21—Douglas Arthur Feiler, son of Mr. and Mrs. Frank Feiler of 817 Turner Drive, has been admitted to the 1964-65 freshman class at Carthage College in Kenosha.

Douglas will graduate in June from the Antioch Community High School.

Douglas Jacobs, son of Mr. and Mrs. Edward Jacobs of Antioch, was one of the students of Upper Iowa University attending a state-wide conference of chapters of the Alpha Phi Omega service fraternity.

Mr. Jacobs represented the Mu Rho chapter at the conference, held at Coe College in Cedar Rapids.

MOUNT VERNON, Iowa—The Cornell College Chapter of Mortar Board, national honorary society for senior women, sponsored a "Smarty

Party" last Wednesday in the college social center.

Sixteen freshman women have compiled a 2.5 grade average or higher for their first semester of college work. These freshmen women were named "Tassels" in a ceremony conducted by Mortar Board President Joyce Villers, and Chairman of the event, Kay Wilkinson. The girls honored were pinned with a fascimile of a mortar-board tassel.

Janet Polley, daughter of Mr. and Mrs. Warren Polley, 998 Osmond Avenue, Antioch, was named a Tassel in this ceremony.

A total of 277 Northern Illinois University students made the honor roll last semester.

To make the honor list, the students had to be enrolled in 12 or more semester hours and receive a grade point average of 3.5 or better.

Margot A. Schenel, Rt. 1, Antioch, was one of the honor students.

Open House For Golden Anniversary

Mr. and Mrs. Lamont Ray of Wadsworth will be guests of honor at an Open House at their home on March 15 in honor of their 35th wedding anniversary.

Mr. and Mrs. Ray's sons and daughters will be hosts and hostesses of the affair. The Open House will continue from 1 p.m. to 6 p.m. that Sunday. The Rays have three sons and two daughters—Mrs. Elfrida Irving, Lake Villa; Mrs. John (Irene) Hutchins, Milwaukee; John Ray, Wadsworth; Arthur Ray, Lake Villa; and Paul Ray, Wadsworth. Mr. and Mrs. Robert Taylor, Kenosha, are also helping to arrange the Open House.

The Rays have lived in Wadsworth all their lives. The actual date of their marriage was March 16.

Woman's Club Hears About Bears Team

The ladies of the Antioch Woman's Club, plus a few husbands brave enough to attend the ladies' afternoon meeting, heard Rudy Custer, business manager of the Chicago Bears football team, and Chuck Mather, coach, speak last Monday.

Custer gave some of the interesting statistics about the financial end of running a team of forty men and some of the problems of the ticket sales department.

A colored film of last December's championship game between the Bears and the New York Giants was shown. After the film, Chuck Mather answered questions and added bits of information.

The following announcements were made: The Literature Club will meet on Thursday, March 12, at the home of Mrs. Myrus Nelson at 1 p.m. The Green Thumbers will meet Monday afternoon, March 9, at the home of Mrs. Howard Wells.

The Tenth District Woman's Club will have the annual Ways and Means party on March 11 at the Wilmette Woman's Club. It is to be a hat fashion show. Mrs. Robert Lubkeman will be the model from Antioch.

Hostesses for the afternoon were Mrs. Myrus Nelson, Mrs. Lester Osmond, Mrs. Clarence Kientz, Mrs. Homer LaPlant, Mrs. O. R. Kresse, Mrs. George Jaros and Mrs. Clarence Spiering.

An autographed football was given to Howard Shepard.

BRIDAL SHOWER FOR PAT DERRIG

About thirty guests attended a bridal shower for Miss Patricia Derrig at the Silverter Patelski home at Channel Lake last Saturday night. Miss Derrig and James Stay will be married on April 18.

June Wedding

Mr. and Mrs. John M. Burton of Lake Marle announce the engagement of their daughter, Joan, to Mr. Edgar A. Leon, Jr., son of Mrs. E. A. Leon, Sr., of New Orleans, Louisiana.

A June wedding is planned.

College Choir To Sing At Church

The Iowa Wesleyan College A Capella Choir, which has appeared on national radio broadcasts, will give a concert at the Antioch Methodist Church on Friday, March 13.

The Iowa Wesleyan Motet Choir will perform a group of numbers at the concert. Jean Price, Antioch, is a member of this group.

The concert will start at 8 p.m. Professor Burton P. Mahle, the conductor, will include compositions of Dr. R. Evan Copley, head of the Iowa Wesleyan College Music Department. Dr. Copley has over 50 compositions published or will be published in the near future.

Other numbers on the program are by Scarlatti, Byrd, Bach, Peeters, Rohlig, Brahms, Glinka, Christiansen, Britten, Friedell, Willan, Ives, di Lasso, Billings, and arrangements by Johnson and Davis. The Brahms compositions are two choruses from the Requiem.

What Is Sales Resistance

Literally dozens of books are written each year on the art of selling for salesmen—most of them earning handsome profits for their authors.

How useful they are, it seems to me, depends on how adept the salesman is at side-stepping their usual complicated formulas and gaining out of them one of the basic things that makes any real difference to his success—a stimulus to his enthusiasm.

With a little thought you will realize that the real heart of sales resistance—the customer's state of mind that stands between the salesman and a sale—is simply lack of sufficient confidence. While temporary advantage may be achieved by high pressure and fast verbal footwork, the only lasting way a dealership and its salesmen can be successful is to gain ever greater customer confidence.

How is this done? As any successful business man will tell you it isn't done overnight, but it is always done the same way: by DESERVING confidence.

It is really self-evident that every time a business can render a service or handle a sale in a manner that wins the customer's goodwill, it is planting a seed of confidence that will bear fruit in more sales at a later date.

That is our selfish motive in making our new and used car guarantees mean something and our service result in satisfaction. It turns buyers into customers.

Mrs. Wharton, mother of the bride, has been an assistant in the Lake County School Office for many years.

18 Chosen To Honor Society

The National Business Honor Society of the Antioch Community High School recently chose 18 probationary members from among the juniors and seniors enrolled in business subjects.

The NBHS is similar to the National Honor Society. However, membership in the NBHS is restricted to those students who have done outstanding work in a required number of business subjects, as well as maintaining a high over-all grade average.

The probationary members selected were Sandra Bleanie, Sharon Camphouse, Linnea Christensen, Carol Frasier, Carol Gerber, Richard Golden, Dan Hamelberg, Wayne Hanke, Karen Jennrich, Sue Kuehler, Linda Lasco, Kathy Lessard, Gail Mack, Linda McCleod, Lynette Murrie, Diana Pfisterer, Tom Randall and Stan Sutherland.

The juniors among this group will be eligible for active membership next year, if they enroll in the required number of business subjects and maintain a B average in these business subjects, and a C plus over-all average.

Three active members were chosen from the probationary members selected last year. They are Terry Starman, president; Barbara Zeman, vice president and Ellen Enis, secretary-treasurer.

The new members will be initiated at a formal meeting after they have been officially approved by the main NBHS office.

DEATH NOTICES

GAYLORD S. LEIB

Mr. Gaylord S. Leib, 56 years old of Sunnyside Subdivision at Channel Lake passed away on Monday, March 2, at Condell Memorial Hospital. He suffered a heart attack at 5:30 p.m. that evening while working as a machine operator for Anchor Coupling Co. in Libertyville, where he had worked for 7 years, and was rushed to the hospital where he passed away at 8:55 p.m. He had formerly been a foreman for that company until his health forced him to become a machine operator. Mr. Leib was born Nov. 13, 1907 in Chicago and resided there until moving to Channel Lake 10 years ago.

He is survived by his wife, Mildred, one son, Douglas G. Leib (Airman 2/c at Fairchild Air Force Base at Spokane, Wash.), two daughters, Mrs. Thomas P. (Dorothy) Lahey Melrose Park, Ill., and Mrs. Peter (Dolores) Nicholas, Chicago; one sister, Mrs. Ora Martin, Cutchogue, Long Island, New York; 5 grandchildren and his mother-in-law, Mrs. E. Weeks who lived with him at Channel Lake.

Funeral services will be held at 1 p.m. on Thursday (today) at Strang Funeral Home in Antioch, where friends may call after 7:00 p.m. on Tuesday. Rev. Carroll D. Lindman of the Antioch Ev. Free Church will officiate at the services. Interment is at Graceland Cemetery in Chicago.

TROY PATRICK NIELSEN

Baby Troy Patrick Nielsen, two days old, died Saturday morning in Lake Forest Hospital, where he was born Thursday. Survivors are his parents, Mr. and Mrs. Theodore L. Nielsen, Cedar Lake Road, Lake Villa; a sister,

MRS. GERALD CRICHTON, retiring president of Lake Region Homemakers Extension Unit hands the gavel to Mrs. Fred Wolf, incoming president, at the February 19th meeting of the group.

Install New Officers of Homemakers Unit

Mrs. Fred Wolf was installed as president of the Lake Region Homemakers Extension Unit at the Feb. 19th

Christie Anne, at home; the maternal grandparents, Mr. and Mrs. Neil Reidel, Lake Villa, and the paternal grandparents, Mr. and Mrs. Fred B. Nielsen, Sr., Lake Villa.

Graveside services were held at 11 a.m. Tuesday, March 3, Ascension Cemetery near Libertyville, with the Rev. David Lynch of Prince of Peace Catholic Church officiating.

meeting of the group. Mrs. Gerald Crichton was outgoing president.

The meeting was held at the home of Mrs. Delbert Sherwood, Lake Villa. Other new incoming officers for the year were 1st vice president, Mrs. Wilfred Jennrich, 2nd vice president, Mrs. John Chope, secretary, Mrs. Leonard Maddsen, and treasurer, Mrs. Irving Buchta.

The lesson for the evening was "Care of the New Fabrics," given by Mrs. Robbins, assistant Home Advisor. Mrs. Leonard Maddsen was co-hostess for the evening. The new officers attended a luncheon and training school at the Rustic Manor on February 25.

Cage Season Ends For Sequoit Squad

The Antioch Sequoia had a little trouble at the free throw line Thursday and dropped a 50 to 55 heart breaker to Grant High School in the semifinals of the District tournament at Wauconda.

The Sequoia matched the Bulldogs from the field with 20 baskets each but cashed only 10 of 18 attempts from the charity line to 15 of 22 for Grant.

Antioch held a 13 to 9 lead at the end of the first quarter and hung on for a 24

to 21 edge at halftime. Grant put on a 22 point burst in the third quarter, however, and the Sequoia were unable to close the gap.

The Sequoia rallied in the fourth quarter and came within three points of the Bulldogs at one point. Grant came back with a basket and two free throws, however, and held on for the final 55 to 50 margin.

Jeff Gates was high scorer for the Sequoia with 13 points on six baskets and one

free throw. Bernie Smith also hit for double figures with 11 points.

Killoran and Schulz shared scoring honors for Grant with 14 points each. Rebounding was fairly even with Grant getting 30 and Antioch 28.

Grant had the edge in shooting as they hit 20 of 40 from the field to 20 of 52 for the Sequoia. The real story was told at the free throw line where the Bulldogs hit 87% while the Sequoia barely managed 55%.

To quote a loyal Sequoit fan from south Antioch, "Wait 'til next year."

Men's Singles Starts Sunday

The annual Men's Singles Tournament at the Antioch Bowl will start Sunday, March 8.

There are several special prizes on the first big Sunday of the tournament, and Jack Sampaio, Antioch Bowl proprietor, reports that bookings for this first day are heavier than usual. The Old Fitzgerald team will bowl at 3:40 p.m., 5 p.m. and 8:20 p.m. on Sunday. Squads are also booked from Vogel's Bowl in Forest Park and Bertrand's alleys in Waukegan.

The tournament is a handi-

cap affair, with a first prize of \$500.00. Most local male bowlers will try their luck and skill at least once in the tournament during the next three weeks. In addition, numerous "big name" bowlers from the surrounding area have competed in past years, drawing bowling fans as spectators as well as contestants.

Saturday and Sunday league bowling will be suspended during the tournament. There will also be tournament bowling on weekday afternoons.

Charity Shots Defeat Falcons

By John Hansen

Salem Central finished out its regular season schedule on a low note as the Falcons fell to a hot shooting Clinton quintet, 68-62.

The Falcons played good enough to win most games but Clinton was uncanny in their marksmanship. While hitting close to 50% from the floor, the Cougars sank 14 of 15 free throws. Both teams had 27 baskets but Clinton's accuracy at the charity stripe gave them the margin needed for victory.

Bob Hofer was once again Salem's top point maker. The senior captain collected 18, Ron Weil and Joe Flaschner had 11 and 10 respectively, and scoring honors went to Clinton's Tom Kohls, who had 23, Frank Klensz followed with 16.

It was give and take for the first 5 minutes of the first quarter as Salem and Clinton battled on even terms. With 3:40 left Salem led 12-11. In the next two minutes Clinton scored 10 points in a row and jumped ahead 21-12. Salem narrowed it to 23-17 with a basket and free throw by Weil and a basket by Hofer.

The second quarter followed the same pattern as Clinton maintained a 10 to 12 point lead for most of the quarter only to have Salem reduce it to 7 (39-32), as Hofer and Foulke scored just before the end of the first half.

Midway through the third quarter Salem rallied and trailed by only 3 (45-42). The Cougars countered with a basket by Kohls and a free throw by Bruce Rustan, the rest of the quarter was all Salem. Baskets by Glen Muhlenbeck, Bruce Dunek and Bob Hofer tied the score at 48-48. Then after Klensz scored, Hofer scored and knotted things up at 50 all.

In the fourth quarter Salem built up a 56-52 lead with 6:23 left in the game. Clinton

gradually peeked away at the lead and tied the game at 60-60 with 3:58 left. Darrell Gunnek scored on a spectacular tip in shot and Clinton was ahead to stay. Two more baskets by Kohls and two free throws by Klensz made it 68-60. Bob Hofer scored as the buzzer sounded to end the scoring at 68-62.

Soph Squad Looks Good For Future

Coach Bruce Stahmer had some rather encouraging statistics to report at the completion of the sophomores' regular basketball schedule last week. The team ended with a record of 13 wins and 5 defeats overall and 11 and 3 in the conference for second place.

As a team, they scored a total of 1015 points averaging better than 56 per game. This compares to their opponents' 44 plus points per game average. Their shooting percentage was a respectable .368 getting 303 baskets out of 1067 attempts.

Top scorer was Mike Sternbenz, who set a new record in the conference for sophomores. Mike hit 143 times in 326 attempts for 43% and made 87 out of 110 free throws for a total of 355 points. Mike was also the team's leading rebounder with 199.

Freshman Tyrone Walls also distinguished himself with 17 points and 115 rebounds. Tyrone also led the team in assists, accumulating 57 for the season.

Mike Kelly and Tom Blackman followed in the scoring with 138 and 103 points respectively. Blackman also helped out on the boards with 131 rebounds.

Pat Sheehan was the second leading rebounder for the team with 150. Pat missed the last two games of the season due to a knee injury. Bob Schenk, the squad's sixth man, filled the gaps throughout the season and added 60 points and 65 rebounds to the Sequoia's totals.

Sheppard Ties For 5th Place

Ray Sheppard (112) ended a successful high school wrestling career this past week-end at the Illinois State High School Wrestling Tournament.

Ray opened the Friday afternoon session with a 3-2 win over Floyd Barty of Rich Central (Olympia Field). Friday night he won over Arthur O'Neill of Hirsch (Chicago) 9-1.

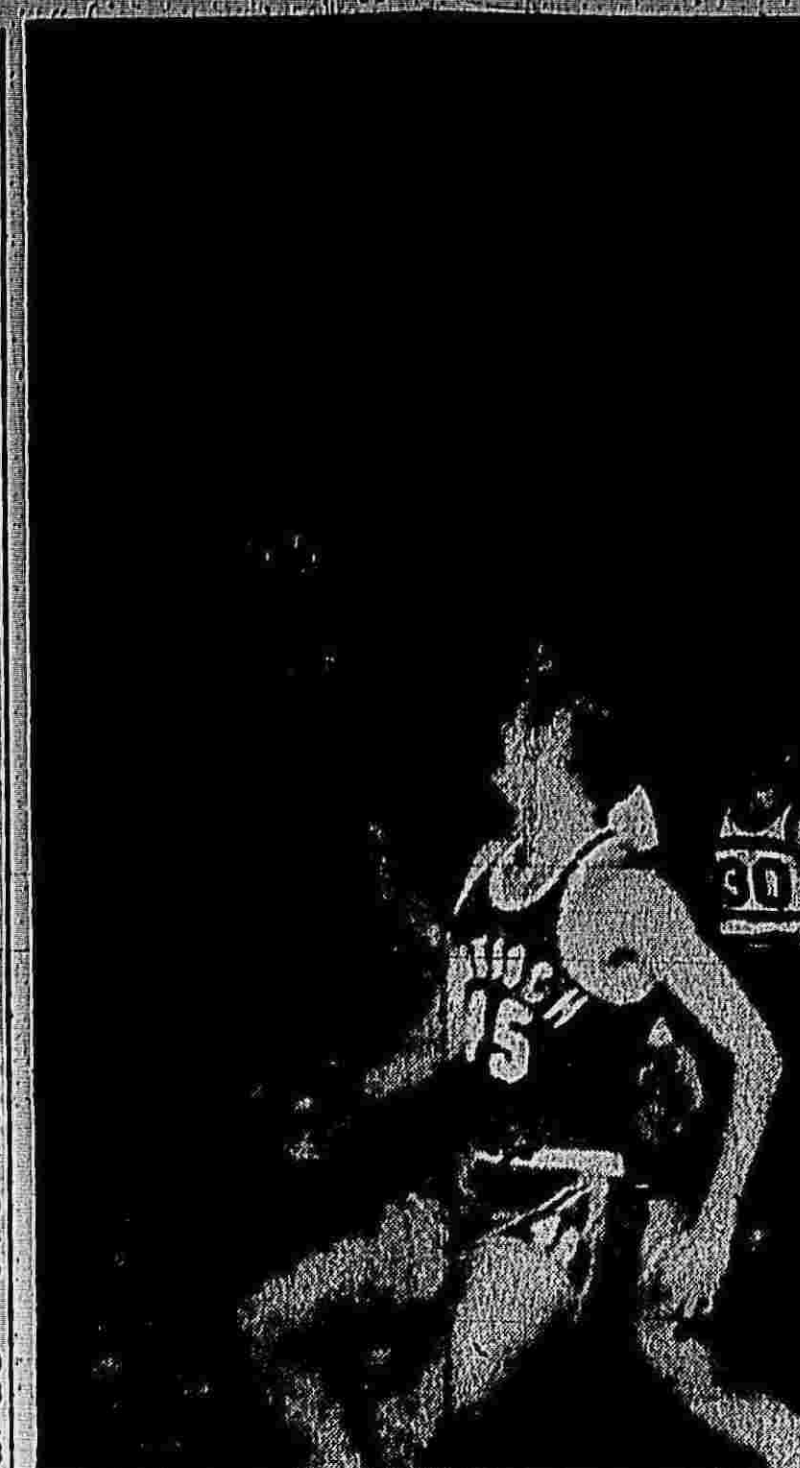

On Saturday the roof seemed to cave in on Ray. He lost the afternoon semi-final match to Jim Orstead of Aurora East 5-2. (A win by Ray here would have put him into the finals Saturday night.)

As a result of the loss, he moved into the "wrestle backs" against Wes Caine of Main East (Park Ridge). Caine won the match 7-3, therefore eliminating Ray from further competition and placing him in a tie for fifth place in his weight class.

The winner of the 112 lb. class was Bob Shines of Waukegan who was defeated by Ray in the finals of the sectional. Both the 1st and 2nd place boys advanced from the Sectional to the State, thus giving Shines a chance to come back and win the state.

Ray's record during his high school wrestling career is 44 wins, 15 losses, and 2 ties, based on his Sophomore 7-1 record, Junior 16-3-1 record, and Senior record of 21-6. In his senior year he was voted honorary captain of the team.

As far as his future is concerned Ray hopes to go to some small college where he can continue his education and possibly wrestle.

VIC ROGERS attempts to score from the outside against Graylake. Ed Matejka (45) moves in for the rebound but in this case there was no need as Vic's shot was good. Antioch won their first game against the Rams 69 to 55, but lost Thursday night to Grant 50 to 55.

JEFF GATES (21) drives in for an easy two points Tuesday night against the Rams from Graylake. Jeff totaled 14 points for the evening and aided the Sequoia to a 69 to 55 victory.

Bowling Tips...

TOWEL TRICK HELPS CURE 'ROUNDHOUSE' SWING

A bowling alley is no place for a roundhouse swing. Ray Schanen, one of the nation's top professional bowlers and member of the Miller High Life advisory staff, demonstrates a towel trick that will tell you whether you're swinging wildly down the alley or if you've got a smooth, steady motion. Put a towel in your armpit, then make a few practice approaches. The towel shouldn't fall until the ball is released. The tight, pendulum backswing and delivery that results will produce a smoother, more consistent approach and will let the ball do the work.

It's your duty as a motorist to be alert for pedestrians who may disregard traffic rules, says the Chicago Motor Club. Be alert at all times and practice courtesy behind the wheels of your car.

The annual CYO and "Old-Timers" (35-40, is old?) basketball game, ended in a tie, 31-31, Sunday afternoon. The teen-agers were rooting for Larry Mateja, Don Oelrich, Greg Mitchell, Tom Doyle, Dennis Sherwin, Chris Oelrich, Charles Hauber and Windsor Dalgard, Jr.

The adults were cheering for John Mateja, Denver Shore, Bob Vaughn, Lou Swoboda, Willis Raht, John Sherwood, Al Fuller and Jack Halvey.

Both groups were pretty well tucked out at the end of the game. Think they were satisfied with the results. (The Dads can't beat the kids, or they won't play again, and the boys can't beat the fathers, or they won't play again.)

The CYO girls entertained the audience with a game before the males played. The girls on Mary Beth Vaughn's team, Carol LaBarbera, Kathy Mertes, Ginny Rosol, Lynn

Dirkson and Marlene Plovnik, lost 22 to 12 to Nancy McGrath's team of Joyce Sheehan, Janet McCarthy, Cathy Anderson, Bonnie Swoboda and Mary Katherine Rice, even though Mike Vaughn (dressed as a girl) helped them to make some of the baskets. The girls' excuse, they were playing boys' rules.

P. S. Just received a phone call that asked me to be sure and mention how many the men and boys were dressed while they bounced the ball around. John Mateja wore a red shirt with rosettes trimming it, a lady's red straw hat, and ruffles sewn on his shorts. Lou Swoboda wore a Beattie wig, and a wrap-around skirt covered his shorts with heart designs on them. Denver Shore was garbed in an old work shirt and pants that were shredded

and had hearts sewn on the shirt and seat of the pants. Greg Mitchell had eyes sewn on the seat of his white pants. When the referee chastised the players, he said, "You bad boy." John Mateja stood on Denver Shore's shoulders to make a basket. (Denver is 6 feet 4 inches tall, so they must have been a sight to see.)

Men's Club Meeting

The Lindenhurst Men's Club will meet Thursday, March 5, at 8:15 p.m. The club is open to all men in the Lake Villa Township.

They will discuss the Golf League set-up.

Blue and Gold Dinner
About 70 Cub Scouts from Troop 84 and their families attended the Blue and Gold dinner last Thursday evening to commemorate the 54th anniversary of Scouting. Mrs. Eleanor Swanson, den mother of Den 3, prepared almost all of the fried chicken that was served. Each family brought a dish to pass. Father David Lynch gave the invocation.

The boys in Den 1 made the napkin holders and the cut-outs of Cub Scouts for the table. The boys in Den 2 made teepees and had pictures of themselves pasted on them.

Richard Mylinski was awarded his Wolf Badge and

he also received a gold arrow and three silver arrows. Jerry Zanzola was also awarded his Wolf badge, and a gold and silver arrow.

Robert Steinmetz received a Wolf badge and a gold arrow, too.

The Cubs in Mrs. Eleanor Bittner's Den 1 put on a Blue and Gold story skit. Jackie Zanzola is Den Chief for Den 1. He wasn't able to attend the dinner because he was down with the measles.

The Cub Scouts in Mrs. Evelyn Swanson's Den 3 put

on a skit with each boy making the sound effect. Brian Wells is Den Chief for Den 3.

Several boys would like to become Cub Scouts but because there aren't enough den mothers and the two dens that are now organized are quite crowded, den mothers are urgently needed. If you or someone you know of would be interested in helping, will you please call Mrs. Swanson at El 6-4821, or Mrs. Bittner at El 6-5184.

Smorgasbord Dinner
The Millburn Order of the

Eastern Star will hold their annual Smorgasbord Saturday, March 14, at the Lodge on Route 45 and Millburn Road. Serving will be from 5 to 8 p.m.

Rules Of Antioch Lions Club Bridge Tournament

1. The tournament will be played between teams of two partners each. These can be husband and wife, two women, two men, etc. Each participant will be allowed to enter on one team only.

2. The entrance fee is \$5.00 per team. The entry fee and official entry blank must be turned in to the Antioch News office or either co-chairman, Homer LaPlant or J. W. Kopriva by noon, March 18, 1964.

3. The first round of the tournament will begin on Friday, March 20, 1964.

4. This will be an elimination tournament, however, all losing teams in the first round will be entered in a consolation tournament, so that every team will play at least two rounds.

5. Games in each round are to be played between 8 a.m. Friday and 8 a.m. the following Friday. A week will be allowed for each round with winners progressing to the following rounds. All scores must be in the hands of the co-chairmen or the Antioch News by noon on the following Monday.

6. Opponents will be selected by lot. Opponents will be listed in The Antioch News window and will also be notified by phone.

Opponents should arrange between themselves as to the time and place of their match. This may be in their homes or elsewhere.

8. Each match will consist of 18 consecutive hands.

9. There may be only one re-deal (after 4 passes) in the 18 hands. If all players pass a second time, the hand will be played as an open no trump, i.e., all hands are concealed (no dummy), party to left of dealer leads, and play continues as usual. Score is won by team taking most tricks in that hand and scored as 1 no trump below the line. All overtricks are scored above the line.

10. All hands must be played out. NO LAYDOWNS.

11. All conventional Bridge rules apply. In case of dispute, these are to be referred to co-chairmen whose decision will be final.

12. Conventional Bridge scoring applies. If at the end of 18 hands a team has a game on the rubber uncompleted, they are given 300 points for this.

Each team should keep score. Scores must be turned in with all 4 players signing same. No scores will be changed for any reason after they are turned in.

13. If a team is unable to play their round in the week allowed, they forfeit the match to their opponents.

14. All players must be residents of Antioch, Lake Villa, Salem or Trevor Townships.

15. If a partner is ill, a player may choose a substitute not already entered in the tournament. Chairmen must be notified in advance.

16. It is anticipated that the tournament will end around the first of May. Finals will be played between the two remaining teams in the Championship and Consolation rounds. Time and place will be announced later. This will be open to the public as spectators.

17. A handsome trophy

will be awarded the 1st and 2nd place winners in the Championship round, and an engraved plaque to the winner of the Consolation round. These will be awarded at an early meeting of the Antioch Lions Club. Winners are invited to be the Lions' guests for dinner on that night.

18. During play no bidding guides may be used. Partners should not discuss hands during bidding or playing of hand. Good sportsmanship leads to a more enjoyable time for all.

If there should be an uneven number of teams to compete in any bracket, except the final one, one team will draw a bye, said team to be determined by lot.

The big news for this weekend is the band concert Saturday evening in the auditorium. Featured during the program will be Ray Miller on the drums and Sandy Sawusch on the trumpet. Both of them will perform a solo with band accompaniment. The concert will begin at 8:00 p.m.

The Science Open House was held last night in the science rooms. Certificates to project displays and other special awards will be given out at an Awards Banquet next Thursday evening.

The Antioch basketball team was not very successful in tournament competition last week. Antioch beat Grayslake in its first game Tuesday but lost to Grant 55-50 on Thursday.

The 1963-64 school year is rapidly coming to a close. This week marks the end of the first six weeks grading period of the second semester. That leaves only twelve weeks of school.

Choir to Join Choral Sing

The Antioch High School Senior Choir, under the direction of Miss Della Mae Tronechuk, has been chosen to participate as one of eight high school choirs from the state of Illinois, in the Northern Illinois University CHORAL SING Saturday, March 7.

Each choir will perform under their own director for approximately 30 minutes. The purpose of the "Choral

Sing" is to hear other choirs and the music they perform, plus hearing and seeing the techniques of various directors.

The "Choral Sing" will be held from 9 a.m. to 4 p.m. in the ballroom of the University on the campus of NIU, with the Antioch High School Choir performing at 9:30 a.m. Other high schools invited to participate are: Sterling, Fenton, Erie, Dwight D. Eisenhower, Hinsdale, Richwoods, (Peoria Ill.), and York (Elmhurst).

The Antioch choir will perform: "The Last Words of

David" by Randall Thompson; "Cherubim Song" by Bortnyansky, arranged by Tschakowsky; "Pater Noster" by Tschakowsky, arranged by Norman Luboff; "Ballad of Brotherhood" by Joseph Wagner; "Old Abram Brown" by Benjamin Britten; and "Pawpaw" Patch" arranged by Dr. Harry Robert Wilson—choral director at Columbia University.

Buy a new electric range now and get the wiring free

[LIMITED TIME OFFER]

Start enjoying today's great cooking advances at a remarkable saving!

There are so many new and exciting things about the 1964 electric ranges that they must be seen to be believed. New features described on this page will give you an idea. And when you cook the modern electric way there's no flame to make dirt, so your kitchen stays clean about twice as long. It stays about 10° cooler too, because only electric ovens are insulated on all 6 sides, not just 5 as in flame-type ovens. Electric surface units clean themselves—pots and pans stay bright and shiny. And electric cooking costs the average family only about 2½ cents a meal.

New features of today's electric ranges

Some of the many other new features: Full Capacity Convenience Outlets • Rotisserie • Automatic Roast Thermometer • Programmed Cooking • High Speed Surface Cooking • Instant High Speed Broiling

HERE'S WHAT YOU GET FREE:

This special limited-time free wiring offer applies to a new electric range of any make or model. It can help modernize your home wiring and save you a substantial amount of money if your housepower is not up to date. The offer applies to a standard wiring installation for an electric range in any single-family dwelling served by Commonwealth Edison/Public Service Co. Also for a limited time, necessary wiring will be installed free in two- and three-flat apartment dwellings provided an electric range is installed in each apartment. Look for "Little Bill Bargain Buys" at your dealer's.

We wish to gratefully acknowledge the many acts of kindness extended to us at the time of our recent loss of our beloved husband and father, Warren M. Edwards. We especially thank the Rev. Messersmith of the Millburn Church, the American Legion Auxiliary Post No. 748 and the V.F.W. Post 4551, the Strang Funeral Home, also our many friends and kind neighbors for their memorial donations in his name to the Millburn Congregational Church and the many flowers and food sent. Thank you.
Mrs. Warren M. Edwards and Family (36)

We wish to thank our neighbors and friends for their kindness at the time of our recent bereavement. We especially wish to thank the Antioch Rescue Squad.
Mrs. George Smith and Children (36)
